presents

Proposed Trauma Fund Distribution Changes

OHA Member Exclusive Webinar

August 3, 2010 at 10:00 a.m.

Overview

The Oklahoma State Department of Health is proposing a change in the fund distribution model. The proposal involves a prospective payment model that is being reviewed by the Oklahoma Trauma System Improvement and Development Advisory Council (OTSIDAC).

OHA wants to inform you of this and receive your feedback in a webinar on Tuesday, August 3 at 10:00 a.m.

Patrice Greenawalt, RN, MS, Assistant Chief of Medical Facilities at the Oklahoma State Department of Health will present an update on trauma system development and revisions and the proposed alternative fund distribution. There will be time for questions and answers.

There is no registration fee to participate, however, we ask that you complete the form below and return it to Shelly Bush. You will receive login instructions 2-3 days prior to the program. As always, your registration covers one connection to the program. This webinar is an OHA member exclusive event.
