

Overview

OHA's annual legislative day at the state Capitol is now Caregivers Day! We plan to make an even stronger impact at the Capitol than ever before.

Telling the hospital story through personal experiences is vital. This is an opportunity for you to bring a large contingency from your hospital, including those in scrubs and white coats, as well as administrators and trustees. Please bring **nurses, physicians, and other direct clinical care team members to the Capitol** to help us tell the hospital story to lawmakers. We need to arrive in large numbers to make our voices heard!

Target Audience

C-Suite, leadership teams, board members, nurses, physicians, other clinical team members and those involved in direct patient care.
