

April 2023 Webinars

To register online, visit www.okoha.com/educationcalendar.

April 5 – 1 p.m.

Pain Management in the Opioid Addiction Crisis (NC0405)

Target Audience: CEO, COO, CNO, CMO, risk management, nursing, compliance, utilization review

Speaker: Anne Kelly, EdD, BSN, Associate Consultant, Courtemanche and Associates

With the nation embroiled in the opioid crisis, there are numerous challenges in safely managing pain in both acute and chronic presentations. Our presentation will address these challenges from a regulatory perspective to ensure your organizations are safely prescribing and monitoring your patients to avoid misuse and overdose.

April 6 – 10 a.m.-12 p.m.

Surgical and Anesthesia Service Conditions of Participation (CoP) (IA0406)

Target Audience: CEO, CMO, CNO, compliance, physicians, safety, surgical

Speaker: Nancy Ruzicka, federal rules, regulations, and interpretative guidelines consultant

This session will provide an overview of the regulatory requirements for the provision of surgical and anesthesia services in hospitals.

Learning Objectives

- Describe basic requirements for surgical and anesthesia services CoPs.
- Describe problematic compliance areas in surgical services CoPs.
- Discuss recent requirement changes for history and physical examinations for hospitals.
- Explain the continuum of anesthesia services.

April 12 – 1 p.m.

HR/Competencies (NC0412)

Target Audience: CEO, COO, CNO, nursing, compliance

Speaker: Denise Smith, RN, MS, CLNC, HACP, Senior Consultant, Courtemanche and Associates

With the challenges that healthcare organizations are facing in finding personnel to fulfill the needs of their workforce, it's imperative that these prospective team members are properly vetted, trained, and deemed competent to support the delivery of safe patient care. Our presentation will provide key topics to address in your process and identify common pitfalls that organizations are facing in aligning with regulatory requirements.

April 19 – 1 p.m.

Cleaning/Disinfecting Surgical Instruments (NC0419)

Target Audience: CEO, COO, CNO, CMO, risk management, nursing, compliance, infection control, infection prevention

Speaker: Denise Smith, RN, MS, CLNC, HACP, Senior Consultant, Courtemanche and Associates

Processing sterile surgical instruments is often a key finding in most regulatory surveys. However, most organizations are not familiar with the steps required to properly clean and disinfect these devices. Our presentation will cover the key processes and how organizations can ensure they are aligned with requirements.

April 20 – 10 a.m.-12 p.m.

Governing Body and Medical Staff Conditions of Participation (CoP) (IA0420)

Target Audience: CEO, CMO, CNO, compliance, governing board, physicians, safety, legal

Speaker: Nancy Ruzicka, federal rules, regulations, and interpretative guidelines consultant

For several years, there has been increasing scrutiny by regulators and accrediting organizations about the hospital's governing body's role in the hospital's compliance with conditions of participation. This presentation will examine the regulatory requirements for hospital boards and describe situations where the governing body has been cited.

Learning Objectives

- Describe governing-board responsibilities and specific responsibilities for patient rights, quality improvement and medical staff credentialing.
- Describe minimum requirements for medical staff bylaws, rules, regulations, and governing body oversight.
- Describe hospital responsibilities for credentialing nonphysician staff in the hospital.
- Explain the differences between medical staff credentialing regulations for telemedicine providers and onsite providers.

April 26 – 1 p.m.

Environment of Care Impacts on Patient Outcomes (NC0426)

Target Audience: CEO, COO, CNO, CMO, risk management, nursing, compliance, patient care

Speaker: Chris Pratt, MS, BSN, HACCP, Senior Consultant, Courtemanche and Associates

The environment of care can have a positive or detrimental effect on a patient's outcome in a health care organization. Feedback from regulatory agencies continues to indicate there are persistent shortfalls in organizations maintaining a safe environment that supports positive patient outcomes. Our presentation will discuss areas of common findings and recommendations on how to mitigate these in your practice.

Cancellation Policy

The registration fee, less a \$60 service charge, is refundable if notice is received before 4:00 p.m. five (5) business days prior to the program. No refunds will be issued for cancellations received after 4:00 p.m. five business days prior to the program. The cancellation/refund policy applies to registrations that indicate payment is being mailed prior to the program. No refunds will be issued for those who do not comply with this policy and the full registration amount will be due and owed to OHA.

Substitutions and Transfers

Registrants unable to attend may designate an alternate. Report substitutions to Amanda Bowen at abowen@okoha.com or Mary Winters at winters@okoha.com prior to the program. Transfers from one OHA educational program to another are not permitted.

Connecting to the Program

After you register for the program(s), you will receive a confirmation notice from OHA. Login instructions for online programs/webinars will be emailed 1-2 days prior to the program.

If you have not received a confirmation email 24 hours prior to the program, please email Amanda Bowen at abowen@okoha.com to confirm your registration has been received.

REGISTRATION

Oklahoma Hospital Association
