

# September 2022 Webinars

To register online, visit [www.okoha.com/educationcalendar](http://www.okoha.com/educationcalendar).

**September 13 – 10 a.m. – 12 p.m.**

***Infection Prevention and Antibiotic Stewardship (IAINF0913)***

**Target Audience:** CEO, CFO, COO, CMO, CNO, Clinician, Infection Prevention, Quality, Nursing Leadership, Pharmacy

**Speaker:** Nancy Ruzicka, State and Federal rules, regulations, and interpretative guidelines consultant

This session will update participants about the 2020 CMS Conditions of Participation (CoP) for infection prevention and control, and antibiotic stewardship, effective March 30, 2020, for all hospitals. This session also will discuss the use of the CMS infection control worksheet, the CMS COVID-19 worksheet, interpretative guidelines, and commonly cited deficiencies.

*Learning Objectives*

- Describe the new CMS requirements for an antibiotic stewardship program
- Describe the new CMS requirements for an infection prevention and control program
- Identify examples of commonly cited infection control standards

---

**September 13 – 10 a.m. – 11 a.m.**

***Governance Series part 3 – Data Privacy and Security: What Hospital Trustees Must Understand (IA0913)***

**Target Audience:** CEO, Trustee

**Speaker:** Alissa Smith, Dorsey and Whitney

This session will introduce and outline changes to applicable state and federal data privacy and security laws, such as the Health Insurance Portability and Accountability Act. It also will address hospitals' primary regulatory obligations to remain in compliance with these federal and state laws. The session will review recent enforcement actions against hospitals and health care providers concerning data breaches, explore hospital cybersecurity strategies and detail the risks from ransomware attacks.

*Learning objectives:*

- Describe state and federal data privacy and security laws and obligations, including recent changes to the Health Insurance Portability and Accountability Act
- Discuss the state and federal agencies involved in the enforcement of data privacy and security laws
- Explain the cybersecurity strategies of hospitals and the risks from ransomware attacks

**AdminLeadership Online Series: What's Your Catalyst? The Power of Managed Change**

**September 20 – 12 p.m. – 12:45 p.m.**

**Part 1 – Know Yourself (TX0920)**

**Target Audience: Leadership**

**Speaker: Alana M. Hill, PMP, international change leadership expert**

We learned in science that change needs a catalyst, but what about in life? Many professionals in today's ever-changing work environment feel stuck, complacent, or even fearful about their professional growth. To get back on track, it is necessary to reconnect with their passion and establish their "WHY". Through this engaging program, Alana will take you on a journey to discover your passions, talents, and path to being more resilient leaders.

*Learning Objectives*

- Apply self-discovery strategies to uncover who you are and what you were made to do
- Utilize tools to understand your strengths, purpose, and vision
- Adopt strategies to encourage self-leadership

**October 25 – 12 – 12:45 p.m.**

**Part 2 – Be Strategic (TX1025)**

**Target Audience: Leadership**

**Speaker: Alana M. Hill, PMP, international change leadership expert**

Many professionals in today's ever-changing work environment feel stuck, complacent, or even fearful about their professional growth. In order to get back on track, it is necessary to reconnect with their passion and establish their "WHY".

Through this engaging program, Alana will lead you in creating a strategic plan for your career (or organization) based on input from Part 1. Alana's interactive delivery will leave you with immediate steps to move you forward to accomplish goals both big and small.

*Learning Objectives*

- Apply personal goal setting to ensure your value is continuously elevated
- Learn a proven model for leading change and building resilience
- Leverage proven techniques to sustain lasting change in your personal and professional life
